Crater Lake National Park

The map displays the topography of Crater Lake National Park. Wizard Island is highlighted in purple and contains labels for Liao Rock, Sentinel Rock, and Rim Village. The Watchman is a prominent peak on the western rim. Other labeled features include Mazama Village, the Visitor Center, and Mount Scott. A red line indicates a road, with the number 62 shown near the bottom center. The terrain is shown in shades of green and brown, with a north arrow and a 2.4-mile scale bar in the top right corner.
